- Hello everyone, it's Yume no Owari.
Thank you very much for picking up this book.
- It's another full color KanColle book!
Also, it's terrible.
I meant to draw everyone having a lively and fun dinner,
but by the time I was done it ended up like this.
The evening atmosphere can be really scary.
Though I got to draw a lot of characters I hadn't
drawn before, so it was really fun. | ω •)
- Anyway, until we meet again!

Yume no Owari

Afterwards,
those two ate
all the origami.

Good morning/afternoon, it's Satake Yura.
 Here we are, at the second volume!
 The cover perfectly captures the feeling of Summer.
 This time feels livelier than ever. Dinner is so nice.
 But why did it end up like this!? (lol)
 Ashigara finally shows up, and she gets this treatment!? (lol)
 I really like the four Myoukou sisters.
 Anyway, this time might have been a little weird,
 but I'll be happy if you enjoyed it.
